

THE WINTER BALL 2023

The Winter Ball is a night of outstanding entertainment and glamour in which funds raised will help Noah's Ark to remain a haven for babies, children and young people who are seriously unwell.

Noah's Ark help children, and their families, who have life-limiting or life-threatening conditions make the most of every day they have together. And for those children who will sadly not make adulthood Noah's Ark will make sure their final days are as comfortable as possible and they enjoy life as children rather than as patients and as families not just as carers.

The Winter Ball Committee is a ten-strong group of dedicated fundraiser's who, over three decades and with much enjoyment, have raised over £24m for children's charities through their Winter Ball.
