THE DORCHESTER HOTEL,  
PARK LANE, LONDON

THE  
WINTER  
BALL

making the most of every day

## The Winter Ball Committee and Noah's Ark Children's Hospice are delighted to offer you the opportunity to sponsor The Winter Ball 2023.

Noah's Ark is elated to be the chosen charity of the award-winning Winter Ball Committee; a seventeen-strong group of dedicated fundraisers who, over three decades and with much enjoyment, have raised over £23m for children's charities through their Winter Ball.

### A CELEBRATORY EVENING

The Winter Ball will boast a four-course dinner, live and silent auctions, plenty of glamour and entertainment, and will raise as much as possible so that every baby, child and young person who is seriously unwell, and their loved ones, has access to expert and compassionate palliative care from the point of diagnosis. We are looking forward to a celebratory evening at The Dorchester Hotel on Saturday 2 December, in the company of new and familiar friends of the charity.

*Our joint belief is that every child deserves a good quality of life, no matter how short that life may be.*

Noah's Ark cares for over 350 children with life-limiting or life-threatening conditions, as well as their siblings and parents. The charity relies on voluntary income to keep all of its services available for those it supports, enabling them to enjoy life as children, rather than as patients; as families, not just as carers.

By joining us at The Winter Ball, not only will you experience a brilliant evening with friends – but you will help us in delivering the charity's mission of helping children who are seriously unwell make the most of every day.
